2020 Veterans Appreciation Dinner Cancelled

My Brothers in CHRIST, due to the ongoing health concerns and issues we are facing this state and the country, the committee for this years Veteran's Dinner made a unanimous decision to cancel this year's event. The use of church facilities for gathering has been put on hold for the foreseeable future by the Lansing Dioceses. While we were prayerfully hopeful it wouldn't have come to this, we understand the reasons behind the decision.

We are however, initiating a potential fundraising idea, which hopefully will allow us to continue our support of veteran's in need. We have done outreach with the VA hospitals in Ann Arbor & Saginaw regarding the need of the veteran communities they cover and assist. They are in need of new clothing items as no used clothing donations are being permitted during these times of the Covid virus.

The plan we are working on is for us to sell Veteran designated Christmas Cards through our Assemble and affiliated Council's and Parish's. Our designs will included a combined military services card and others that a service specific. We are expecting to sell these Christmas cards at a fairly modest price yet to be able to raise funding similar to those raised by our annual dinner. More information will be forth coming by mid September. Until then, may the God Lord keep you, your families, and our communities safe. God Bless!

Our Assembly will be hosting the following for all 4th Degree Members

Knights of Columbus - Assembly #510
Fall Family Potluck Picnic
